- 60° swivel frame design
- Hardened worm gear to prolong its service life
- Carbide insert and bearing to enhance blade support
- Hydraulic feed control with on/off valve
- Heavy duty quick clamp/release vise
- AutoCut mode with large feed rate control valve
- Quick Approach mode with release trigger

INDUSTRIAL MITERING UTILITY BAND SAW

Cosen's MH-270M is an ideal tool for the small to medium machine shop, school, and limited run production work. It is a great machine for cutting solids, square, round, rectangle and tubing material. Its solid construction ensures many years of reliability and accuracy at a high level of performance.
