

MH-300DM

Manual Dual Mitering Horizontal Pivot Band Saw

Features:

- Hydraulic cylinder plus precision ground hinge support
- Swivel frame design
- Built-in integral coolant system
- Direct drive gearbox
- 1.6 HP motor
- Carbide blade guides enhance blade support
- Two additional guides enhance blade support
- Cast-iron rigid guide arms
- Blade tensioning system fitted with indicator gauge
- Blade brush to remove chips
- Heavy duty quick clamp/release vise
- Adjustable down feed rate control with on/off valve helps prolong blade life, shorten cutting time, and provides better finishes

COSEN MANUAL SERIES BAND SAWS

Cosen's MH-300DM comes equipped with manual vise and adjustable hydraulic down feed. It is an ideal tool for the small to medium machine shop, maintenance shop, metal fabricating shop, school, and limited run production work. It is a great machine for cutting solids, square, round, rectangle, and tubing material. Its solid construction ensures many years of reliability and accuracy at a high level of performance.
