

MH-1016JA

Manual Horizontal Pivot Band Saw

Features:

- Precision ground hinge guides the saw frame throughout cutting cycle
- Quick set up vise enables miter cutting at desired angles
- Hydraulic shuttle vise assembly
- Built-in coolant & hydraulic systems
- Carbide blade guides reduce wear on blade guides and blade
- Rigid guide arms on a dovetail slide greatly reduces vibration, achieving better cutting results
- Integral coolant system
- Down feed rate control
- Cast iron vises

COSEN MANUAL SERIES BAND SAWS

The Cosen MH-1016JA comes equipped with a manual vise and adjustable hydraulic down feed. The vise swivels to allow for miter cutting. It is an ideal tool for the small to medium machine shop, maintenance shop, metal fabricating shop, school, and limited run production work. It is a great machine for cutting solids, square, round, rectangle and tubing material. It's solid construction ensures many years of reliability and accuracy at a high level of performance.
